

## Hutchison Ports invented the International Ports category.

Over decades, we've built the world's most comprehensive port network, stretching throughout Asia, the Middle East, Africa, Europe, the Americas and Australasia.

We have more experience, knowledge and expertise than any other group.

Today we are the world's leading port network. This book explains how our brand and values keep us at the forefront.

# THE WORLD'S LEADING PORT NETWORK

"NOW AS WE GO FORWARD, WE ARE MOVING INTO THE STRONGEST POSITION WE'VE EVER BEEN IN. WE'LL CONTINUE TO LEAD TOGETHER, ACROSS OUR NETWORK, STRENGTHENING OUR POSITION AS THE LEADING PORT OPERATOR."

Leading an industry is a bold ambition for any organisation, in any category. And one that few can realise.

We began our journey 150 years ago, and we've been leading the way ever since, delivering best on what matters most to all our customers, partners and employees.

## HUTCHISONPORTS

We are Hutchison Ports. Our name says who we are and what we do. It is a confident reflection of our scale and reach.

"THE SYMBOL WAS CONCEIVED AS A VISUAL SHORTHAND FOR HUTCHISON PORTS; WHO THEY ARE AND WHAT THEY DO.

ON ONE LEVEL IT DENOTES THE MEETING OF SEA AND SKY, AND THE HORIZON WHICH CONNECTS THEM.

BUT IT ALSO REPRESENTS THE IDEA OF UNITY; THE COMING TOGETHER OF EXPERTISE, KNOWLEDGE AND PEOPLE IN

**Sky and sea blues.** The Hutchison Ports primary colours. They are Ports Sky Blue and Ports Sea Blue. We will show our colours proudly and prominently across the network.

**Our progressive angle.** The upward angle in our symbol represents a horizon line, progress and ambition, and our commitment to improve and grow.

## OUR TYPEFACE

## Verlag by Hoefler and Frere-Jones.

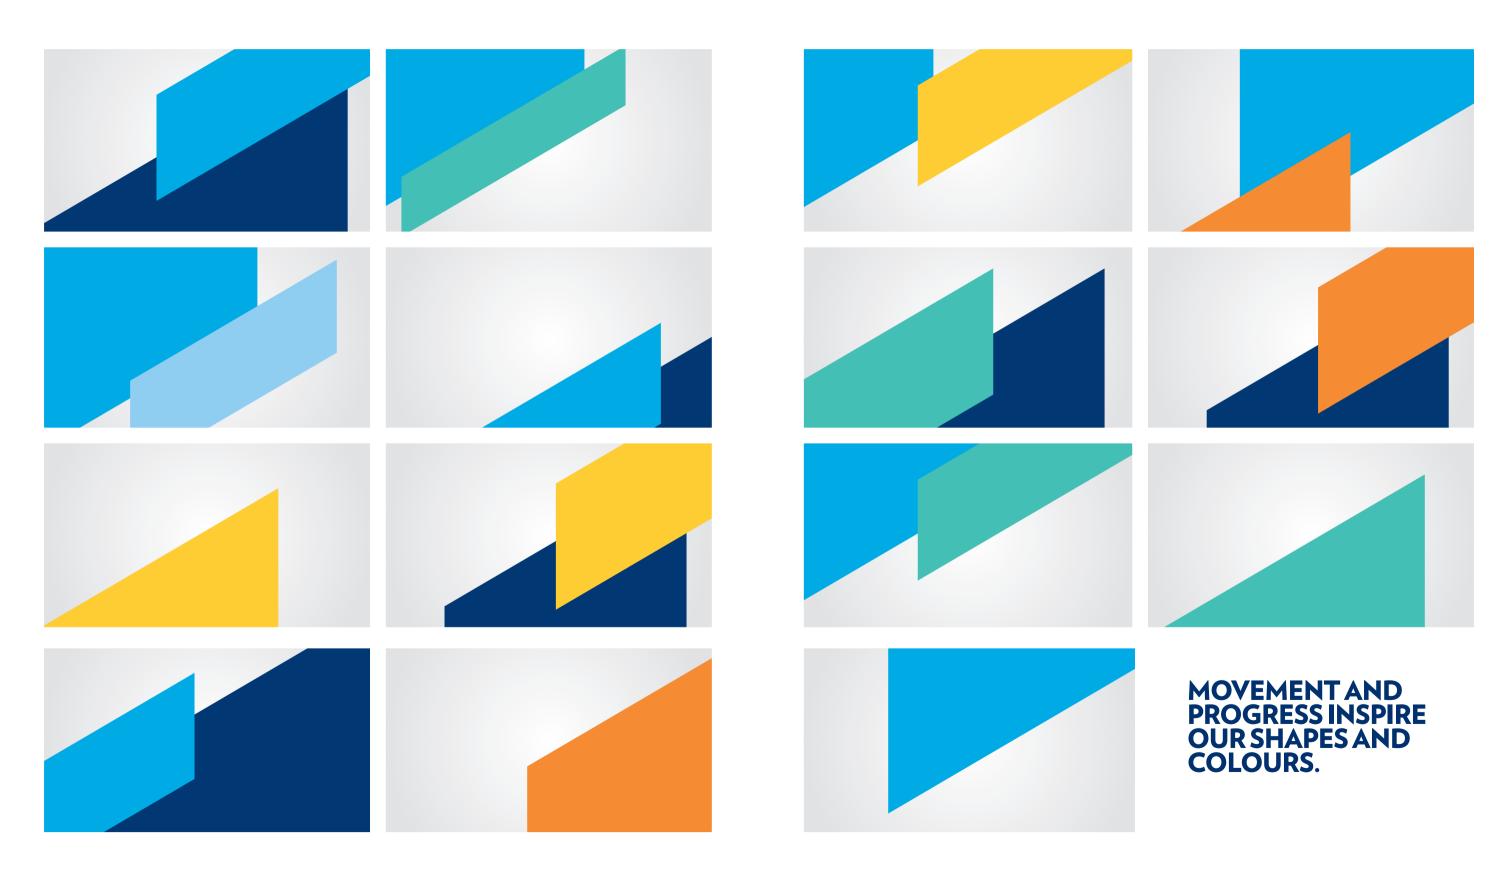

Verlag is Hutchison Ports' principal typeface. Designed in the 1990s, but only released publicly in 2006, Verlag stands the test of time. It evokes images of the past, in the simple liveries of ocean-going vessels. But it is also contemporary; bearing the gravitas of an industry leader and future-facing organisation.

Verlag is flexible and global; available in over 30 weights, widths and styles, and over 100 languages. It unifies our network, how we look and how we communicate.

Maritime tradition inspires our typography.
